...ITS CITIZENS.

Your nation's students. Diplomats. Military personnel. And countless other people who travel the world to support your country. Choosing the health insurer who will take care of them is an important decision.

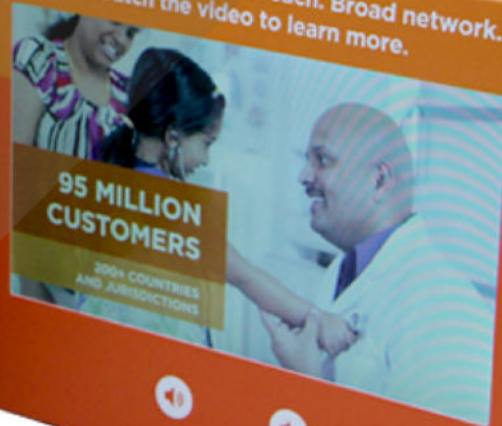

CIGNA HAS WHAT IT TAKES.

We've been taking care of expatriates for more than 50 years—so we understand their unique needs, challenges and concerns. In addition, Cigna has broad global reach. Today, we offer coverage in more than 200 countries and jurisdictions around the world, and we have established service centers across the globe to serve you and your employees anytime, anywhere!

What's more, in 50 years we've learned that every situation is unique. That's why we offer flexible solutions to meet your individual needs.
